

Certificate

Certificate no 21126 Rev. 5

kiwa

Issue date
Initial issue date

15 December 2025 **Valid date**
18 December 2001

16 December 2028

**Application of the
Directive 2014/68/EU of the European Parliament and of the Council of 15 May 2014 for Pressure
Equipment**

Manufacturer:

Strömsholmen AB

Verkstadsgatan 16, 573 41 Tranås, Sweden

The manufacturer's Quality System has been assessed with respect to the conformity assessment procedure as described in **Module D and D1**, and is found to comply with the requirements applicable to it.

Product description:

Gas springs and accumulators

Applications/Limitations:

The certificate is valid for equipment listed in enclosure 1 and based on Quality System documentation according to enclosure 2. The certificate is valid for design codes and materials according to enclosure 2.

The Manufacturer must inform Kiwa Sweden AB of any plan for substantial changes to the Quality System in order to examine whether this certificate remains valid. Periodical audits as required will be held to verify the validity of this certificate.

Stockholm, 15 December 2025

Kiwa Sweden AB

Notified Body No: 0409

Per-Ove Skog

Notice: The certificate is subject to terms and conditions, if any, overleaf. Any significant changes in design or construction of the product, the quality system or amendments to the Directive 2014/68/EU or Standards referenced may render this certificate invalid. The product liability rests with the manufacturer or his representative in accordance with the Directive, as amended.

This certificate consists of 1 page. Disclosure of the certificate is permitted.
